25 March, 2019

To whom it may concern:

If the proposal submitted by Dr. Amy Roberts, entitled "Elements: Improving tools based on data description standards for gigabyte-scale data sets" is selected for funding by NSF, it is my intent as IRIS-HEP PI and thereby for the IRIS-HEP team to collaborate and/or commit resources as detailed in the Project Description or the Facilities, Equipment and Other Resources section of the proposal.

Best regards,

A handwritten signature in black ink, appearing to read 'P. Elmer', with a long horizontal flourish extending to the right.

Peter Elmer  
PI and Executive Director  
Institute for Research and Innovation in Software for High Energy Physics (IRIS-HEP)
